September 2026 Uniform

Dear Parents/Carers,

We have been reflecting on our school uniform and I wanted to send out a reminder of our uniform expectations and highlight a change we are making. I know families will be starting to buy uniforms and shoes for September, which is why I wanted to communicate this with you at the start of the holidays. As you know, we did make a small change in permitting black trainers. The students have welcomed this and I do hope it makes buying shoes for the start of term a little easier for families too. A reminder that students are allowed to wear black shoes or trainers, however these must be plain black with no coloured parts on them. Another reminder is that students who choose to wear the kameez must wear it with a white shirt and school tie underneath. The tie and blazer remain the compulsory items for all, with a plain black v neck jumper being optional. If students choose to wear a skirt, it must be the black pleated school skirt with the school logo.

Following on from the warm weather period, in line with other IAT schools, we have decided to allow students to wear their PE kit to school on the days they have PE or Dance. This will enable us to maximise the curriculum time they have in these subjects without having to change. We will expect students to be in their full TMS PE kit.

The vast majority of students now have a phone pouch. Pouches are available to purchase via Arbor Pay, please see instructions for this below:

We are seeing the majority of students coming to school with the correct equipment and ready to learn. Part of this is ensuring their Chromebook is fully charged, so please get them into the habit of doing this as part of their evening routine to prepare for school the following day. A reminder of key equipment is in the link below.

Thank you for your continued support in ensuring we maintain high standards for uniform and equipment.

Yours sincerely,

S. Durose
